**Subject:** RE: CES

Do you have an idea of what procurement activities will be needed, and what timing you feel is important? I think we should discuss with Kevin Neal to make sure they can meet the requirements.

Obviously Latrice would have to be involved.

Procurements: Timing:

T&D

**JoAnn:**

**Here is the cost estimate for CB&I for CES. If there is some reason we need to use EQ let me know. I want the total to be \$2 million on the Action Memo so this is what I have:**

**ERRS: \$1,750,000**

**START: \$150,000**

**Site Contingency: \$ 100,000**
